NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Tuesday, April 23, 2024:

MINUTE entry before the Honorable Steven C. Seeger: On April 9, 2024, this Court denied Plaintiff's application for leave to proceed in forma pauperis because it was incomplete. (Dckt. No. [6]) But the Court gave Plaintiff an opportunity to fix the problem and provide the information, or pay the filing fee. In response, Plaintiff submitted a handwritten filing by "Eugene Nathaniel Arnold III American Indian Hors-de-Combat Protected Person." (Dckt. No. [7]) The filing gave this Court a good feel for his perspective. It began with an ominous but on-point observation: "There seems to be some confusions [sic] to proceed in this Court." Plaintiff went on to lecture this Court about the gold standard, bills of attainder, ex post facto laws, titles of nobility, the Full Faith and Credit Clause, the Prison Litigation Reform Act, the United Nations Declarations of Indigenous Peoples Rights, and other obscure corners of the legal landscape. It doesn't take a lot of interpretive detective work to see that Plaintiff has no intention of complying. Arnold doesn't want to do what he has to do to stay, so he has to go. The complaint is dismissed without prejudice. The case is closed. Civil case terminated. Mailed notice(jjr,)

ATTENTION: This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for additional information.
